

**In November, 2011 the first ever Blue Star Memorial Marker was placed within the City of Baltimore.**

In keeping with the tradition of more than a half century ago, the Mount Washington Garden Club and District IV, erected the first Blue Star Marker in Baltimore City near the Baltimore Conservatory to honor all of our men and women who are serving or have served in the U.S. Armed Forces.

We are requesting that you assist us in soliciting support for the Veterans Memorial Book Project. There are three different options for supporting this project, and to be listed in the book. These are:

1. For a donation of \$25, anyone may honor a service man or woman.
2. Also for a donation of \$25, anyone who provided support for the military, such as a nurse, medical team, etc. will be listed.
3. A donation for the support of this project.

Each name will be calligraphied in an archival memorial book that will be kept on a lectern in the Conservatory, within sight of the Blue Star Memorial itself.

**ORDER FORM**

I wish to make a contribution of \$25.00 to have the following name entered in the Veterans Memorial Book. Name and

Rank \_\_\_\_\_

This member served in \_\_\_\_\_ Branch of the Armed Forces from \_\_\_\_\_ to \_\_\_\_\_
